Netcompany

A day @ Netcompany-Intrasoft

Connect with our talented professionals and learn about:

- Software Development
- DevOps
- Applications Security
- Business Analysis
- Software Testing

Are you passionate about IT?

Are you interested in exploring Netcompany-Intrasoft's culture and way of doing business?

Join our Career Event, the first ever to be held at our offices, where you will have the opportunity to learn about our core business and the latest technology trends and discover career pathways within our teams.

We look forward to meeting you in person!

April 12
10:00 – 14:30

Fragkokklisias 13, Maroussi
